## Chapter 1 by Libby Allen

Hello. My name is Jackline Kory and I am 21 years old. I first came to the Summit County Jail last year. I didn't do anything, but my mental doctors said that I wasn't crazy but still had to be contained if I have another "mental breakout". Nobody really knows what happened that night that I came. No one but me. But now you will, soon. So let me begin.

It was January 13th, 2015, and I was out to the store to buy a toy for my little cousin Mary. She is 9 and she is definitely an old soul. So, I went to the local vintage shop and bought her a doll. The store clerk gave it to me for free! I should have known by then that it was a little suspicious but I didn't realize anything then. After, I went to my house to keep the doll until her birthday. Her birthday was on January 24th. So I put the doll in my closet until that day.

When I went to bed that night, I heard a slight cry coming from the closet. I had to investigate.
